

## Fair Enough

YNW BSlime

(Hype Beatz)

Yeah, yeah, yeah, yeah

Ayy, all vacant, no statements  
Girl, you know you love me, so quit playin'  
And I know, that you know, it's all my fault  
And I can't forgive you, I don't play nice  
So you cannot stay, just leave by my side

My side, my side  
I guess that's fair enough  
You lie, I cry  
I guess that's fair enough  
Ayy, and I can't forgive you, I don't play nice  
You made a mistake, now you can go, goodbye

Heart's beating like a metronome  
Love doesn't live here anymore-'ore-'ore  
But were you kiddin' though? This ain't my first rodeo  
Time's tickin', I'm lettin' go, ooh  
Keep up with the wave in the wind, if you wanted to  
If you wanna leave, baby, tell me what you wanna do  
No, I apologize, just read between the lines  
I get high, I feel like a astronaut  
I don't know if she loves me or not  
Yeah, yeah, yeah

Ayy, all vacant, no statements  
Girl, you know you love me, so quit playin'  
And I know, that you know, it's all my fault  
And I can't forgive you, I don't play nice  
So you cannot stay, just leave by my side
