How It Feels

YNW BSlime

You don't know just how it feels
I'ma try and go and get them bills
When you stack it up, this shit get real
([?] might just go and get the kids, ayy)
Niggas never know just how it feels

See, you don't know just how it feels
Granny, she not strugglin', but, she won't pay the bills (Nah)
How yo' siblings hustlin'? They tryna get a mill' (Nah)
I'm gon' do it differently, say I'm gon' do it legal (Nah)
Now he ride on different, she's just smokin' on that pre-roll (Hurricane)
It's not easy, I had to see
Had to go through a journey, get money by any means
I say, "Baby, swimmin' in this lane, take it easy"
But, nobody's at the road if it's easy
'Member walkin' to the store, head Peezy
Now, a nigga goin' off like it's so great
But, I get so much hate

You don't know how it feels to me (No, no, no)
No, you don't know how it feels in the streets
I say, "You don't know"
I say, "You don't know"
I say, "You don't know" (Know, know, know)
I say, "You don't know how it feels to be me"
You don't know how it feels in these streets
I say, "You don't know"
I say, "You don't know" (Yeah, uh)

I'm reminiscin', okay
I see the vision, I might
Go cop a Rollie today
That shit's the way of my life
You can get left in the dust if you could never get right
Why you always seem so uptight?
Just wanna please your tonight
Stop being all the way on the road
Just thinkin' 'bout the past got me in a hold
I'm up in Colorado ridin' down the slopes
Just wanna call your phone and let you know
Wish you were hear just to see me blow
Lookin' at my peers, I gotta get to the dough
You said you love me, girl, what you lyin' for?
Why I'm alone? Girl, you just wouldn't know

You don't know how it feels to me (No, no, no)
No, you don't know how it feels in the streets
I say, "You don't know"
I say, "You don't know"
I say, "You don't know" (Know, know, know)
I say, "You don't know how it feels to be me"
You don't know how it feels in these streets
I say, "You don't know"
I say, "You don't know"
