

# Need You

YNW BSlime

Young new world, young new wave

Baby, come with me, you are my ride or die  
We can ride together the limit is the sky  
Need you right now, I need you right now  
Need you right now, I need you right now

My love, do you ever dream of  
Candy coated rain drops  
Your the same my candy rain  
Ahh ahh ahh

Need you like a bank robber need his money  
Ya, I buy you channel like Givenchy  
But that wont buy happiness or love so  
Baby, come with me, we can take a ride  
Need you like the oxygen for life  
Can we just hang out me and you at home  
Don't want to Facetime want you on my own  
So now you know that I want you now  
Imma tell the world that you my girl

Baby, come with me, you are my ride or die  
We can ride together the limit is the sky  
Need you right now, I need you right now  
Need you right now, I need you right now

My love, do you ever dream of  
Candy coated rain drops  
Your the same my candy rain  
Ahh ahh ahh

Lets not go fast girl we can take it slow  
Treat you like a flower you could be my rose  
Tell me your here and down by my side  
Forever me and you its YNW for life

[?] if it gets sticky  
[?] but baby its witty  
[?] it gets silly  
I'm gonna take over another whole city  
We stay ballin check the stats [?]  
Drippin like mines better check my gear  
Everytime we step on the scene [?]

Baby, come with me, you are my ride or die  
We can ride together the limit is the sky  
Need you right now, I need you right now  
Need you right now, I need you right now

My love, do you ever dream of  
Candy coated rain drops  
Your the same my candy rain  
Ahh ahh ahh

Baby, come with me, you are my ride or die  
We can ride together the limit is the sky

Need you right now, I need you right now  
Need you right now, I need you right now

My love, do you ever dream of  
Candy coated rain drops  
Your the same my candy rain  
Ahh ahh ahh
