Girl, I understand you're feelin' lonely (Oh yeah)  
But I can't take it back, you did me dirty again (Yeah)  
I thought that you was for me (Oh yeah)  
Think I'm better off lonely  
I know you regret (I know)  
I know you regret (Regret)  
All the shit that you said (You said)  
I know you regret (I know)  
I know you regret (Yeah)  
Turnin' into my ex, but you're dead to me (Yeah)

Don't know if it's meant to be  
You told me it'd be best to see  
I know what, let's forget our memories  
I know that you're mad (Mad)  
Pull up in a [?] with the racks, yeah  
FN when I clap from the back, yeah (Bap, bap, bap)  
Then I hit the stu', you get mad, yeah  
Bitch, fuck your ex nigga, I might clap her (Boom, boom)  
I been in the kitchen like a trap addict  
Addin' up the bags just like mathematics  
Sippin' on the Ack', that's a bad habit  
Sippin' on that shit to take the pain away  
I want a call on a rainy day  
You said you was here, then you strayed away  
Better off alone, I think it's safe to say  
Safe to say, oh

Girl, I understand you're feelin' lonely (Oh yeah)  
But I can't take it back, you did me dirty again (Yeah)  
I thought that you was for me (Oh yeah)  
Think I'm better off lonely  
I know you regret (I know)  
I know you regret (Regret)  
All the shit that you said (You said)

Turnin' into my ex, but you're dead to me

You're dead to me, woah (Woah)  
Baby, tell me where you wanna go, uh  
We can take it fast or slow (Oh)  
We didn't leave off on a high note  
Tryna argue and put on a show  
Told you to just let it go  
You were outta control so I had to let you go  
Can't take ya, no, I can't take your love  
All the pain you put me through, I just don't want your love

So let's go our separate ways  
You feel nothing, I feel betrayed  
See me on TV, doin' my thing  
I used to love life before you came, hey

Girl, I understand you're feelin' lonely (Oh yeah)  
But I can't take it back, you did me dirty again (Yeah)  
I thought that you was for me (Oh yeah)  
Think I'm better off lonely  
I know you regret (I know)  
I know you regret (Regret)  
All the shit that you said (You said)  
I know you regret (I know)
