YNW BSlime

Ayy, yuh, Young Nigga World  
(ForeignGotEm!)  
Young New Wave  
I's a Young Nigga World  
(Yung Shad, you killed this track!)

Back in my dreams  
Chillin' with your bae, totin' the AK  
Back in my dreams  
This never ever what it seems  
Choppers to his face, yeah that's a scary cat  
Pull up to the light, killers dressed in all black  
Jumpin' out a splak, hop out with a MAC  
What happens when I die in my dreams?

Back in the days, around Glocks & AK's  
You know, I know, you can see it in my eyes, that I wasn't gonna make it  
Older brother thuggin', yeah he taught me all the basics  
Told me keep it on by my waist, keep that earthquake  
I know, ain't no other way, music my only chance  
This my only way, gotta make these bands  
I know how fast they can come take my life, gotta watch my left and right  
Ooh, they gon' love you and hate you same night  
Ooh, don't got time to argue and fight

Back in my dreams  
Chillin' with your bae, totin' the AK  
Back in my dreams  
This never ever what it seems  
Choppers to his face, yeah that's a scary cat  
Pull up to the light, killers dressed in all black  
Jumpin' out the splat, hop out with a mac  
What happens when I die in my dreams?

Lil buddy pop a pill  
And get wicked wit' da' Glock  
No music rolling, heavy metal on yo' block  
12 want to know, bodies droppin' on the clock  
Gifford's where it's hot, dodgin' death and cops  
Melvin, my big brother, so I'm icy  
Do it for the money, that's my wifey  
And I ain't gonna say nothin', grew up in the G  
We was grindin' and hustlin', you know me-e  
I know, back in them days  
We was in the trap house, tryna' figure outta way  
I know, I know how far to go  
I know to take it slow, stretch it and make it grow

Back in my dreams  
Chillin' with your bae, totin' the AK  
Back in my dreams  
This never ever what it seems  
Choppers to his face, yeah that's a scary cat  
Pull up to the light, killers dressed in all black  
Jumpin' out the splat, hop out with a mac  
What happens when I die in my dreams?

Back in my dreams  
This never ever what it seems
