

## City Girls

YNW Melly

Ayy, where all of my City Girls at?  
North Miami, where it all goes down  
Heard it ain't no pity where you're at  
And your dad don't know that your soul is lost and found

She don't want love  
She don't love no one but herself  
All she really cares about is a lace-front weave  
And the boutiques from Chanel

What about lust?  
What about lust? Do you trust yourself?  
Anytime you walk out the door  
It's a bag full of ones and lame nigga under your belt  
But I won't judge  
I won't judge, don't judge yourself  
Promise I'm not here to burden you  
I'm here to help (Nah, for real)

If you're looking for someone to change your life, change your life  
I can be the one who can change your life  
If you're looking for someone who can change your life  
Baby, I can be the one that can change your life  
And I know that you're young and you're filled with life  
Ain't no need to be ashamed, I don't judge nor bite  
If you're looking for someone who can change your life  
Ain't no need to cry, baby, wipe your eyes

She don't want love  
She don't love no one but herself  
Only thing she cares about is a lace-front weave  
And the boutiques from Chanel  
She don't want love  
She don't want love from no one else  
She don't want love  
She don't love no one but herself

I wanna amuse you, oh, let me use you  
All for the good, not for the bad, I won't abuse you  
Won't say I need you, just scared to lose you  
Put down your pride, see through your eyes, somebody bruised you  
Know what you been through, I won't avenge you  
Act like you mad, act like you sad yet, but yet, pretend to  
Say you love honesty, but yet, it offends you  
Just hit my line, I got some lovin' I could lend you

If you're looking for someone to change your life, change your life  
I can be the one who can change your life  
If you're looking for someone who can change your life  
Baby, I can be the one that can change your life  
And I know that you're young and you're filled with life  
Ain't no need to be ashamed, I don't judge nor bite  
If you're looking for someone who can change your life  
Ain't no need to cry, baby, wipe your eyes

She don't want love  
She don't love no one but herself

All she really cares about is a lace-front weave  
And a bag that's from Chanel  
She don't want love  
She don't want love from no one else  
She don't want love  
All she love is herself
