

# Control Me

YNW Melly

EY3ZLOW on the beat

Control me (Control me), just hold me (Hold me)  
I won't fuck you and leave, that's the old me (That's the old me)  
I won't break your heart, lil' baby, that's the cold me (That's the cold me)  
Won't tell you that I'll fuckin' leave, that's the bold me

Uh, that's the bold me, bitch  
Let me bust a nut on your teeth, bitch  
Nemo, find me, coral reef, bitch  
I'm smokin' dope, Chief Keef, bitch  
Gon' 'head and suck on the dick-a-lang  
Bawlin' on my phone like ring, rang  
I don't wanna fuck her like no, way  
Heard she fucked on the bro, today  
'Cause I don't give no fuck, baby, you can never hang with me  
If you got them shitty ass drawers  
Nah, I can't really fuck with too many pussy niggas  
'Cause these niggas really outchea playin' flawed  
But control me, baby, hold me  
Tell me that you'll never break my heart and stay with me

Control me (Control me), just hold me (Hold me)  
I won't fuck you and leave, that's the old me (That's the old me)  
I won't break your heart, lil' baby, that's the cold me (That's the cold me)  
Won't tell you that I'll fuckin' leave, that's the bold me

I-I-I can see it in your eye  
That you see a young nigga, baby, stop lookin' surprised  
I'm a... real street nigga, no, I ain't no Spy Kid  
I would never look on your post or your messages  
'Cause I ain't really fuckin' with them niggas that you with  
Pull up on his ass with a hundred round stick  
Pull up on his ass with the Glock, with the dick  
This is not a Glock 45, this a 26  
Niggas talk a lot, they only get the best from me  
Fuck nigga stop playin' 'fore we stretch somethin'  
Fuck nigga stop playin' 'fore we wet somethin'  
Fuck nigga stop playin' 'fore you regret somethin'  
He will never ever ever ever leave her  
'Cause he know that if he do we gon' beat her

Control me (Control me), just hold me (Hold me)  
I won't fuck you and leave, that's the old me (That's the old me)  
I won't break your heart, lil' baby, that's the cold me (That's the cold me)  
Won't tell you that I'll fuckin' leave, that's the bold me
