Pieces

YNW Melly

I don't know
(Yarico Beats)
Don't know
Yeah, yeah, yeah, yeah
Oh pussy-ass ho, you don't fuck with me?
Like one point in time, you used to be stuck with me
You don't FaceTime call, keep in touch with me
While my lil' baby not answerin', I'm in custody
You broke my heart to pieces
'Posed to be my peace, instead you broke my heart to pieces
(Yung Shad, you killed this track)
Ah-ah

Can't believe it (Can't believe it)
Got a text from you, it said that you were leavin'
And I don't even really know the reason (I don't know the reason)
Haven't spoke to you, it's been a couple weekends (Been a couple weekends)
I'm just checkin', makin' sure that you're still breathin'
'Cause when a heart breaks, no, it don't break even (No, it don't break even
)
'Cause when a heart break, no, it don't break even (No, it don't break even)
When a heart break, no, it don't break even
'Posed to be my peace, instead you broke my heart to pieces
You broke my heart to pieces
You broke my heart to pieces
(Broke pieces, that's you)
Pieces
(Broke pieces, that you broke my heart to)

Send me an angel to heal my heartbreak
God, send me an angel to heal my heartbreak
God, send me an angel to heal my heartbreak
God, send me an angel to heal my heartbreak

It's crazy 'cause we couldn't even come to an agreement
I've been smokin' on the regular, and drinkin'
And I'm sitting by myself and I'm just thinkin'
'Cause when a heart break, no it don't break even

Can't believe it (Can't believe it)
Got a text from you, it said that you were leavin' (You were leavin')
And I don't even really know the reason (I don't know the reason)
Haven't spoke to you, it's been a couple weekends (Been a couple weekends)
I'm just checkin', makin' sure that you're still breathin' (Breathin')
'Cause when a heart breaks, no, it don't break even (No, it don't break even
)
'Cause when a heart break, no, it don't break even (No, it don't break even)
When a heart break, no, it don't break even (Even)

Pieces
You broke my heart in pieces
And I wish I knew the reason (Know the reason)
It all comes and goes like seasons, yeah, yeah
What it's really gonna be to say I gotta leave you? (Leave you)
'Cause you really, really don't know how much I need you (Need you)
You know just how to get me every time I see you (See you)
And I said I was through (Through)

Man, I really need y'all to help me (To help me)
Swear you got deep-rooted issues, it ain't healthy
The way you keep switchin' up, you just me the death of me
You played with my emotions, yeah, you really had me open
Now I'm saying bye-bye

Can't believe it (Can't believe it)
Got a text from you, it said that you were leavin' (You were leavin')
And I don't even really know the reason (I don't know the reason)
Haven't spoke to you, it's been a couple weekends (Been a couple weekends)
I'm just checkin', makin' sure that you're still breathin'
'Cause when a heart breaks, no, it don't break even (No, it don't break even
)
When a heart break, no, it don't break even (No, it don't break even)
When a heart break, no, it don't break even (No, no, baby, baby)

God, send me an angel to heal my heartbreak
God, send me an angel to heal my heartbreak
God, send me an angel to heal my heartbreak
God, send me an angel to heal my heartbreak
