Everything we monetize, homie
Your little brother like my brother
Left him traumatized, homie
And you my nigga
You were down to do a homicide for me
It's that hood shit
We was on Woodcliff with them choppas
[?] undercover narcos tryin' to stop us
Signed my first deal [?] I'm good
Still, I put 100, 000 worth of guns in the hood, I remember

They couldn't tell us shit nigga
We were ready to go to war with whoever
That's when we came up with Ridgecrest Afghanistans

Look at me, we never envisioned this
If I crossed you on the way I never intended it
If I rob you I did it purposely
Still thinkin' 'bout niggas murkin' me
Dirty money we washed that shit in the laundromat
We were trappin' on the Greenbriar bought a hundred MACs
You shot at us, you know we shot back
I'm from Ridgecrest, they say I don't know how to act
I apologize
Not for my actions, I was trappin'
I was tryin' to feed my family before I was rappin'
My first charge attempted murder and kidnapping
Now he sorry ask the victim what had happened

So how the fuck the landlord think he gon' ban me
Fell out with real hittas from the hood, niggas couldn't ban me
'Cause my only plan b is death before I be a pussy
And throw this shit away before I let a nigga push me
[?] I wish you niggas knew
I ain't even fuckin' with you if you need a chick to shoot
Ha
And take a chain from who
Thirty million dollar, niggas just got something to prove
And if they mob they mob and that's what it was
