While tryna tell my sister to carry her ass to school
Gotta do the right thing cuz your brother breakin the rules
What an inspiration

Man I'm tryna follow footsteps of my father
& he a og nigga straight outta hyde park
It took me so many years to get along with hyde park
I left that v shit alone & took upon a job
I put the north on the map
Each & every part
Each & every hood
Every single gangsta
All the dope boys

Fall in at visions
Pop me some bottles

Just gimme a room
Handle my business
Goin to river (river)
Look at the bridge (bridge)
Blunt to the head
Think bout the shit that I did
Walk in the bank
Everyone helps
Walkin' outta the bank
