

Make It Work

Yo Gotti

Watch her make it work (Work)
Watch her make it work (Work)
Watch her make, watch her make
Watch her, watch her make it work
She coming out her clothes
She done came up out her shirt
She want me to give it to her I'm gone make that pussy hurt
(Yo Goooooooootti)

They like go once I hit the door
They know how it go
Get to know
Um about to blow ten thousand or more
Dj play some of that gotti shit
Watch out and touch yo toes
She ah fool with her [?] she do her thing with the pole
Shawty cold, she the type that make a nigga pay her bills
Watch her raw she can make her body shake while standing still
Um for real she say she can go all night without a pill
If a bitch play with her bread she gone whoop that ass in heels
Um like damn well excuse me ma'am what you tryna do
She say she just stripping part time so she can pay for school
Um like oww so you educated you may be my type
She like boo um just dedicated get that money rite

Watch her make it work (Work)
Watch her make it work (Work)
Watch her make, watch her make
Watch her, watch her make it work
She coming out her clothes
She done came up out her shirt
She want me to give it to her I'm gone make that pussy hurt
Watch her make it work (Work)
Watch her make it work (Work)
Watch her make, watch her make
Watch her, watch her make it work
She coming out her clothes
She done came up out her shirt
Got a nigga at the crib but she still a fucking flirt
Now watch her make it work

I know this bitch she a a.k.a went to Memphis state
She dropped out her Jr. Year then she got a escalade
Um like hey gone and do yo thing you shouldn't be ashamed
If that nigga don't pay yo bills then that nigga shouldn't complain
This insane I should be yo man ill encourage you
Make that money bring it back and watch how much I cherish you
You so cute look at you other hoes ain't gotta clue
Ain't nobody hit the stage and do the shit the way you do
Must admit you game type you stay on top of yo shit
But you got to know the difference between a bobble head and a trix
See a trix gone pay for pussy while a baller make it rain
Real niggers fuck for free so this shit is not the same

Watch her make it work (Work)
Watch her make it work (Work)
Watch her make, watch her make

Watch her, watch her make it work
She coming out her clothes
She done came up out her shirt
She want me to give it to her I'm gone make that pussy hurt
Watch her make it work (Work)
Watch her make it work (Work)
Watch her make, watch her make
Watch her, watch her make it work
She coming out her clothes
She done came up out her shirt
Got a nigga at the crib but she still a fucking flirt
Now watch her make it work

You wanna flirt its ok to flirt gone head flirt back
Dey admit he ain't got no paper don't your chirp back
Mane this worse some ass nigga said he gotta purp set
He got high and told my bitch where he keep all the purp at
Damn fool
You done let that pussy make you break the rules
You confused
What she love you cause she fucked and sucked you too
That's her job you just got robbed
Charge it to the game
You so green you are such a lame you should be ashamed
Um like mane watch her do her thing
She do it unique
Shawty [?] thick as a fool
Shawty [?] she so patek
Personality so hood face impression be so sweet
They professional homie they learn what they know from the streets

Watch her make it work (Work)
Watch her make it work (Work)
Watch her make, watch her make
Watch her, watch her make it work
She coming out her clothes
She done came up out her shirt
She want me to give it to her I'm gone make that pussy hurt
Watch her make it work (Work)
Watch her make it work (Work)
Watch her make, watch her make
Watch her, watch her make it work
She coming out her clothes
