

Thin Line

Yo Gotti

He was a good nigga
Whole family crying
They gone miss him dearly
He one of a kind
He's a street nigga
He inspired the thugs
He did it for the hood
He showed his niggas love
Had plenty money ran thru plenty plugs
Touched plenty work hustlin motherfucca he was
But that nigga stupid
He had had a exit route
He couldve changed his life
He just couldn't exit out
Headlines read hottest rapper in the south
Ol'boy indicted took him out
Look how they talk about me
Good & bad
Bad & good
Im on a thin line
Im just misunderstood

One foot in the game
One foot on the line
I see myself platinum or doin fed time
Im on a thin line

See myself platinum or doin fed time
Havin dreams of ballin
Havin thoughts of dying

But I think its rented
All bullshit to the side im his biggest fan
My bitch want his autograph
