Meri jaan main hoon badshah
Thoda sa hoon seedha thoda sarphira
Mere paas tu aa, na ho khafa khafa
Sar chadh ke hai bole tera nasha nasha
Main karta na, intezaar
Dekha tujhe toh hua main, bekaraar
Gaana baje toh naache baby doll
Ko tappe khilaun jaise basketball
Ek do nahin mere paas poore
Ek sau tareeke teri jaisi ko
Badshah ke peeche lagaane ke
Ghar le jaane ke, jannat dikhaane ke
Aa akeli chaahe laa tu saheli
Dilli se ho tu chaahe Rai Bareilly
Hogi inki subah in my haveli
Lets go go go go
Oh mer rani, teri jawani
Tere badan pe fisalta paani
Kasam khuda ki aag lagaati
Get up get up get up wooh
Oh mer rani, teri jawani
Tere badan pe fisalta paani
Kasam khuda ki aag lagaati
Get up get up get up wooh
