

Idol

YOASOBI

Couldn't beat her smile, it stirred up all the media
Secret side, I wanna know it so mysterious
Even that elusive side, part of her controlled area
Complete and perfect
All you say is a bunch of lies
Dear miss genius idol, unmatched
(You're my savior, you're my saving grace)

What did you eat today?
What book do you love?
Whenever you go out for fun, tell me, where do you go?
Haven't eaten anything
It's a secret, unknown
Any questions you're facing, always acting so vaguely

So unconcerned, although you brightly glow
Any seemingly unveiled secrets are as sweet as honey
Confusing, why, why, why?
Essential lie, lie, lie
So, what is your type of guy? Any partner?
So, now, answer this

"I don't have any idea how I could love anyone" (Hey! Hey! Hey!)
"I don't seem to know what it signifies" (Hey! Hey! Hey! Hey!)
Cannot find out if it's true or it's a lie (Hey! Hey! Hey! Hey!)
Once again, there's somebody who's fallen for the words and cues
Made him lose his head over you

That emotion melts all hearts, all eyes on you
'Cause you are perfect, the most ultimate idol
Unrivalled, will not appear again
It's the brightest star reborn, yes, indeed
Ah, using that smiling face
That "I love you" again
Now, everybody is lured and captivated by you
The pupil that you got
The words you vocalize
Even when untrue, it's your perfected Ai

Right, right, we all know she's very special, yes
We had lost the fight before it started, so impressed
Miss, I'm such a star
We're serving as support to her grace
Cannot tell me everything was because of her
No, it's not right
Out of line
How can we not feel jealous while being around
It's not a joke, you know, right?
So, I cannot forgive you for that
Completely deny
Imperfect you that I sight
Myself, no pardon allowed
I won't allow anyone if it's not you, strongest of all

That emotion seized all hearts worshiping you
Yes, indeed
So strong, it's you, unrivaled idol

Showing this smile, my own weapon boiling media
Keeping everything about my secret deep inside
"I'm in love with you," my career is built on such a lie
It's the way I know to show my love, without a doubt
Running down, my sweat is flowing
Cleanest aqua, right?
Ruby hidden under my eyelids where it resides
I sing and dance around
Look at me, I'm Maria
So, lying surely is the greatest kind of love

One day, I will hold everything that I pursue
Yes, I am so greedy, true voracious idol
So, sincerely, what I'm wishing for is to love each of you with all my heart
And so, today, I lie again (Hey! Hey! Hey! Hey!)

The words I vocalize inside of me (Hey! Hey! Hey! Hey!)

I'm wishing that one day they come true (Hey! Hey! Hey! Hey!)

Up to this day, I've not been able to let you (Hey! Hey! Hey! Hey!)

And you hear me saying those meaningful words
