

# Beautiful Lie

Yoav

Yesterday, today, tomorrow  
Fade away like frozen photographs  
Remember, forget  
The stakes, the ways you take  
The ways you make the moments pass

Forever regret, I tell a beautiful lie  
And I would die if you find out  
I tell a beautiful lie  
Every time that I did not open up my mouth

All the same, it's a game, it's a play, it's a war  
It's a shame that we're always fighting for  
I don't mean to cast no blame  
I don't intend to pretend  
I can never loved you more

But in the blink of an eye  
Everything you ever knew can change  
And it's a beautiful lie  
If you think everything will always stay the same

Babe, my babe  
You got a secret, it's starting to show  
My babe, sweet lady  
How long can you keep it?  
How far would you go?

You tell a beautiful lie  
You tell a beautiful lie  
And it's going to  
It's going to drive you crazy

Babe, my babe  
It's starting to show  
My babe, sweet babe  
How far would you go, go, go  
To tell a beautiful

Yesterday, today, tomorrow  
Fade away like frozen photographs  
Remember, forget, forever lie, lie, lie  
Beautiful lie, yeah
