

Breathe In

Yodelice

Smoke mist and steam
Rain drops kissing the streets
Dismissing
The heat

Memory loss and
Timeless clocks I'll lay down
Drain the strain
On the ground

Breathe in and breathe out (3x)

The load on my chest
Thirsty for unconsciousness
Melts away
In the rain

Breathe in and breathe out (3x)

Cooling off, like
Drenching this slice of life
It's raining
No pain

Breathe in and breathe out (3x)
