

## Talk To Me

Yodelice

Something just changed in your soul  
Tell me baby what's wrong  
What's going on  
Have you been crying?

Something just flaked in your eyes  
There's a crack in your gaze  
Like those broken days  
Am i seeing face?

Baby talk to me  
Please talk to me  
Baby talk it's me  
Talk to me

Seems like the sun is shining  
On everyone but me  
Won't you talk to me?  
This is getting scary

Something got hold of your soul  
You're like never before  
Is there something more?  
Have i missed anything?

Baby talk to me  
Please talk to me  
Baby talk it's me  
Talk to me

Something just changed in my world  
And it's killing me.
