

Last Christmas

Yoke Lore

Last Christmas, last Christmas
I gave you my heart, I gave you my heart

Once bitten and twice shy
I keep my distance, but you still catch my eye
Tell me, baby, do you recognize me?
Well, it's been a year, it doesn't surprise me
Last Christmas, I wrapped it up, I sent it
With a note saying, "I love you," and I meant it
And I know, what a fool that I've been
And if you kissed me now, I know you'd fool me again

Last Christmas, I gave you my heart
But the very next day, you gave it away
This year, to save me from tears
I'll give it to someone special

A crowded room, friends with tired eyes
I'm hiding from you and your soul of ice
My God, I thought you were someone to rely on
Me? I guess I was a shoulder to cry on
A face on a lover with a fire in his heart
A man undercover, but you tore me apart
Now I've found, I've found a real love
You'll never fool, never fool me again

Last Christmas, I gave you my heart
But the very next day, you gave it away
This year, to save me from tears
I'll give it to someone special
Last Christmas, I gave you my heart
But the very next day, you gave it away
This year, to save me from tears
I'll give it to someone special

Last Christmas, last Christmas
I gave you my heart, I gave you my heart
And I gave you my heart
And I gave you my heart
And I gave you my heart
