

Truly Madly Deeply

Yoke Lore

I'll be your dream, I'll be your wish, I'll be your fantasy
I'll be your hope, I'll be your love, be everything that you need

I'll love you more with every breath
Truly, madly, deeply do
I will be strong, I will be faithful
'Cause I'm counting on a new beginning
A reason for living, a deeper meaning

I wanna stand with you on a mountain
I wanna bathe with you in the sea
I wanna lay like this forever
Until the sky falls down on me
Until the sky falls down on me
Until the sky falls down on me

And when the stars are shining brightly in the velvet sky
I'll make a wish send it to heaven and make me want to cry
The tears of joy for all the pleasure and the certainty
That we're surrounded by the comfort and protection
Of the highest power in lonely hours
The tears devour you

Oh you can see it baby?
You don't have to close your eyes
'Cause it's standing right before you
All that you need will surely come

I wanna stand with you on a mountain
I wanna bathe with you in the sea
I wanna lay like this forever
Until the sky falls down on me
I wanna stand with you on a mountain
I wanna bathe with you in the sea
I wanna lay like this forever
Until the sky falls down on me
Until the sky falls down on me
Until the sky falls down on me
Until the sky falls down on me
Until the sky falls down on me
