## **Never Say Goodbye**

Never say goodbye, Never say goodbye, You say tomorrow's another day, All I know is we're here today. I've got nightmares I could never share with you, The kind that keeps me up all night. So hold me tight till the room is light And tell me that it's all right. (oh-oh-oh-oh - oh-oh-oh) Never say goodbye, Never say goodbye, We may go our separate ways some day, But we know we shared our dreams today. I've got nightmares I would never wish on you, The kind that keeps me down all day. So hold me tight till the sky is light And tell me that it's all right. (oh-oh-oh-oh - oh-oh-oh) Never say goodbye, Never say goodbye. Yoko!! (it's getting light) Mummy, mummy. (oh-oh-oh-oh - oh-oh-oh) Never say goodbye, Never say goodbye, Never say goodbye, (never say) goodbye, Never say goodbye,
