

## Keep Me Here

Yola

I've been waiting for a long time  
For the right time to tell you  
Now I'm throwing you my lifeline  
So be kind, I beg you  
Been holding back because I'm so scared  
That you won't care and I'll cry  
I'm gonna go and lay my soul there  
Will you stay there or pass by?

By now, you know  
I'm loving you a little more  
Every time you call  
By now, you're gone  
But you leave me just enough to keep me here  
And keep me holding on

Your guitar is in the corner  
It's a loaner from your brother  
I close my eyes and I can hear you  
Your sweet song like no other

By now, you know  
I'm loving you a little more  
Every time you call  
By now, you're gone  
But you leave me just enough to keep me here  
And keep me holding on

Oh, by now, you know  
I'm loving you a little more  
Every time you call  
By now (By now), you're gone (You're gone)  
But you leave me just enough to keep me here  
Keep me holding  
You leave me just enough to keep me here  
Keep me holding on
