

Symphony

Yola

I'll put you on
I'll put you on
To this body of mine
Of mine
Of mine
Of mine
Oh my

What you give up
What you give up
You will get back
This time
This time
This time
Oh my

Oh, how you make me sing
Oh, the joy the revelation you bring
There ain't nothing better than this
Just being in the warmth of your embrace

Where we're going we can't come back
Feel the tempo, just like that
Play my heartstrings with both your hands
And I'll sing like a symphony
I'll sing like a symphony
For you, yeah

Just take your time
Just take your time
I will not break your heart
Your heart
You're heart
Your heart
Oh no

Chills up my spine
Chills up my spine
You make the music start
And start
And start
And start
Go on

Boy, you make me scream
Yeah, your breath on my neck is pure living
Sing the melody
Oh, the gentle lyric whispered in my ear

Where we're going we can't come back
Feel the tempo, just like that
Play my heartstrings with both your hands
And I'll sing like a symphony
I'll sing like a symphony
Oh yeah

Give me, give me, give me, give me

Give me, your love, your love
Give me, your love, your love
Give me, your love, your love
Your love, your love, your love

Where we're going we can't come back
(Give me, your love, your love
Your love, your love, your love)
Feel the tempo, just like that
(Your love, your love, your love
Your love, your love, your love)
Play my heartstrings with both your hands
(Give me, your love, your love
Your love, your love, your love)
And I'll sing like a symphony
(Your love, give me, give me)
I'll sing like a symphony
(Give me, give it to me, give it to me)
Hey yeah, oh yeah!
