

# Creature

YONAKA

Is this love, is this just a movie?  
Call your bluff, is it all you want it to be?  
Am I afraid, or is this growing pains?  
Yeah, foot off the brakes, it's time to accelerate

Come on over to your house, maybe move in  
Paint a picture for your mind, you'll fit right in  
I could be your Harley Quinn, baby, dive in  
It's exciting, if you don't fight it

I'll be anything you like, make a true believer  
But I won't ever leave ya  
I lose control of my mind, something they don't teach ya  
And I become a creature  
I become a creature

What did you expect? I'm not your experiment  
Say you love me when I'm lovely; when I'm ugly, you repent  
I'm a rush of your life, a broken paradise  
I'm like needles in your skin (As you wash your sins)

Come on over to your house, maybe move in  
Paint a picture for your mind, you'll fit right in  
I could be your Harley Quinn, baby, dive in  
It's exciting, baby, don't you fight it

I'll be anything you like, make a true believer  
But I will never leave ya  
I lose control of my mind, something they don't teach ya  
And I become a creature  
I, I, I, I, I, I'm a warning sign  
Run, run, run, run, run, run, run for your life  
I lose control of my mind, something they don't teach ya  
And I become a creature

If I'm what you want, then you should know  
(I'm raging, I'm starved of that cold)  
But I love you more than is possible  
(A dream so pure and clean, a home)  
If you take a dip with me, I will fill your fantasies  
But will you still love me tomorrow when I'm a creature?

I'll be anything you like, make a true believer  
But I will never leave ya  
I lose control of my mind, something they don't teach ya  
And I become a creature  
I, I, I, I, I, I'm a warning sign  
Run, run, run, run, run, run, run for your life  
I lose control of my mind, something they don't teach ya  
And I become a creature
