

# Don't Wait 'til Tomorrow

YONAKA

Oh, oh, oh, oh-oh  
Oh-oh, oh-oh  
Oh, oh, oh, oh-oh  
Oh-oh

If you're lonely you can call me, don't you know?  
I'll be right here for you  
It doesn't matter where you are up in this world  
I will always pick up the phone

I will always pick up my phone  
I will always pick up my phone

Though it seems that I don't really care  
I'm just caught up in it  
I'm sick and tired of you thinking it's unfair  
When you put yourself there

It could never be too late  
To call me up and come my way  
I would love to see your face  
Don't wait 'til tomorrow  
We could take it back to when  
We were young and were best friends  
I will help you through this mess  
Don't wait 'til tomorrow

Oh, oh, oh, oh-oh  
Oh-oh, oh-oh, oh  
Oh, oh, oh, oh-oh  
Oh-oh, oh

It's all love, Heaven's above  
I'll be at your side when you've had enough  
I know that I'm not perfect  
But if God gave me this much  
When you're drowning, I'm gonna dive in  
I'm gonna help you climb that mountain  
Just know I'll be there, remember that I care  
Whenever you need me just reach out and call my name

It could never be too late  
To call me up and come my way  
I would love to see your face  
Don't wait 'til tomorrow  
We could take it back to when  
We were young and were best friends  
I will help you through this mess  
Don't wait 'til tomorrow

I'm screaming down your walls  
Can you hear me at all?  
Can you hear me at all?  
'Cause I'm crying out your pain  
I'm trying hard to get through  
I'll be there when you fall  
If you need me at all

I'll be there to fix you

It could never be too late  
To call me up and come my way  
I would love to see your face  
Don't wait 'til tomorrow  
We could take it back to when  
We were young and were best friends  
I will help you through this mess  
Don't wait 'til tomorrow

Oh, oh, oh, oh-oh (Don't wait 'til tomorrow)  
Oh-oh, oh-oh, oh  
Oh, oh, oh, oh-oh  
Oh-oh, oh  
Oh, oh, oh, oh-oh (Don't wait 'til tomorrow)  
Oh-oh, oh-oh, oh  
Oh, oh, oh, oh-oh  
Oh-oh, oh
