

Greedy

YONAKA

I don't think you heard me right, when I said
That I will put up the fight
You either treat me with respect or get out I disinfect
And I remove you from out my life.

It slowly starts to make sense
No results and only suspense
Yeah you made up half your job and the interests high as fuck
So why you taking percents huh?

You greedy,
Need feeding
Had to many pies now your bleeding
Fuck the succeeding
So demeaning working for a demon
Why are you so greedy? uhuh

Finally I see myself
It took its toll upon my mental health
Won't let another comment slide
Let you pass around my life
And pretend you had a plan the whole time.
Pick me up then put me down
Your gonna miss me when I'm not around
Coz I'm better on my own
And I'm finally in control
And you ain't never ever gonna tell me no!

You greedy,
Need feeding
Had to many pies now your bleeding
Fuck the succeeding
So demeaning working for a demon
Why are you so greedy? uhuh

You greedy,
Need feeding
Had to many pies now your bleeding
Fuck the succeeding
So demeaning working for a demon
Baby, you so greedy? uhuh

Hi there, I'm your nightmare
I took your ego and I crushed it with my bare hands
Give me all you care about my power is your doubt
And you ain't getting out
No you ain't ever getting out

I'm never good enough
To qualify your love
I'm that old news
Rip that old shit up
I don't need it now
I found my voice it's loud
I'm gonna drown you out
D D D DROWN YOU OUT!

You greedy,
Need feeding
Had to many pies now your bleeding
Fuck the succeeding
So demeaning working for a demon
Why are you so greedy? uhuh

You greedy,
Need feeding
Had to many pies now your bleeding
Fuck the succeeding
So demeaning working for a demon
Baby, you so greedy? uhuh
