

# Heavy

YONAKA

You've been screaming from the rooftops lately  
Everybody knows you're here  
I've been waking like a newborn baby  
Replace the milk with a cold beer

You're a ripple in the deep blue ocean  
Swimming naked in the dark  
How can you pretend that you're a virgin  
When you throw me to the sharks?

Whoah, you're so heavy  
Ooh-whoah, you're so heavy

You're so heavy, you're so heavy, you're so heavy  
You're so heavy, you're so heavy, you're so heavy

Ride or die is fight or flight or you're bad to the bone  
Left your dignity at home  
Risk to the bottom of the bottle just to get alone  
It's time to go out on my own

Whoah, you're so heavy  
Ooh-whoah, you're so heavy

You're so heavy, you're so heavy, you're so heavy  
You're so heavy, you're so heavy, you're so heavy

La la la la la, la la la la  
La la la la la, la la la la  
La la la la la, la la la la  
(Whoah, you're so heavy)  
La la la la la, la la la la

You're so heavy, you're so heavy, you're so heavy  
(Ooh-whoah, you're so heavy)  
You're so heavy, you're so heavy, you're so heavy  
You're so heavy, you're so heavy, you're so heavy  
(Ooh-whoah, you're so heavy)  
You're so heavy, you're so heavy, you're so heavy
