YONAKA

So just lately, I've been beat down
I picked my head up, put it up in the clouds
Wrap my dreams 'round something so clear
How can it feel so far but so near?

It's a house up on Mars
All the fun with no price tag
I'll be blinded by lights
And there'll be no rules for my gang
They'll be screaming my name
And nothing else matters, nothing else matters (Because)

We ain't got no money, we're just living free
I just wanna be a rockstar, baby
Be a love-fuelled junky, live out movie scenes
I just wanna be a rockstar, baby

Ooh-ooh, ooh-ooh, ooh-ooh, oh, eh-eh
Ooh-ooh, ooh-ooh, ooh-ooh, oh, eh-eh

Wake up late, I won't fuck with routine
I'll be the prettiest pin-up, I'll be a magazine queen
Be the spark you when you light up, everything you could dream
Oh, wouldn't it be special to live forever eighteen?

It's a house up on Mars
All the fun with no price tag
I'll be blinded by lights
And there'll be no rules for my gang
They'll be screaming my name
And nothing else matters, nothing else matters

We ain't got no money, we're just living free
I just wanna be a rockstar, baby
Be a love-fuelled junky, live out movie scenes
I just wanna be a rockstar, baby

Ooh-ooh, ooh-ooh, ooh-ooh, oh, eh-eh
Ooh-ooh, ooh-ooh, ooh-ooh, oh, eh-eh

Fucking up the hotel 'cause we can never get in trouble
No, you'll never catch us and you'll never burst our bubble
Boy, I'm gonna rock your world, it might be hard to handle
And if I get caught dreaming, it's time to light a candle

Ooh-ooh, ooh-ooh, ooh-ooh, oh, eh-eh
Ooh-ooh, ooh-ooh, ooh-ooh, oh, eh-eh

We ain't got no money, we're just living free
I just wanna be a rockstar, baby
Be a love-fuelled junky, live out movie scenes
I just wanna be a rockstar

Ooh-ooh, ooh-ooh, ooh-ooh, oh, eh-eh
A rockstar, baby
Ooh-ooh, ooh-ooh, ooh-ooh, oh, eh-eh

We ain't got no money, we're just living free
I just wanna be a rockstar, baby
Be a love-fuelled junky, live out movie scenes
I just wanna be a rockstar, baby
