

# Wouldn't Wanna Be Ya

YONAKA

You're sat on broken glass  
You like to think you understand  
How we grew up so fast  
You're a wannabe. wannabe, wannabe man

Zip up your mouth and leave  
You brought nothing to me but grief  
You want to turn a leaf  
You're a wannabe, wannabe, wannabe man

(No, whoah)  
Wouldn't wanna be ya  
(No, whoah)  
Wouldn't wanna be ya  
Wouldn't wanna be ya

You're good as dead to me  
Wouldn't take you on your bleeding knees  
Your greed took all our feed  
You're a wannabe, wannabe, wannabe man

Thick lies leave rotten teeth  
My time has been taken from me  
You're cold, but I'm freezing  
You're a wannabe, wannabe, wannabe man

(No, whoah)  
Wouldn't wanna be ya  
(No, whoah)  
Wouldn't wanna be ya  
Wouldn't wanna be ya

I'll, I'll be outside  
He'll be with a black heart when I arrive  
Hidden in the dark, life he couldn't start  
Bitter 'bout the things that he thought he was a part of  
Ah, ah, ah, ah

(No, whoah)  
Wouldn't wanna be ya  
(No, whoah)  
Wouldn't wanna be ya  
Wouldn't wanna be ya

Hey!  
Hey!
