

## Die Young

YONAS

If I die young, bury me Satin  
Lay me down on a bed of roses  
Sink me in the river  
At dawn  
Send me away with the words of a love song  
If I die young

Oh my God, what's this crazy life of mine  
Swear these niggas tryna kill me but I know that I'll be fine  
If you send me to the dark, get this world a light to shine  
Cause there's gon be a lot of people mad  
If I die young  
And my momma raised two kids all on her own  
I was jealous of them kids who had two parents in they home  
My paps left me for the sky, my pap left me for they sky  
Now I'm steady poppin bottles like there's messages inside them  
Uh, I'm just livin low key  
Something sorta like an OG  
Now everybody seems to know me  
Started way back in 03  
When I started to rap and smoke weed  
2Pac, S.N double O.P  
J.A.Y and hyphen to the Z  
They taught me to write what I see  
New York taught me to be real  
Out here it's gonna get killed  
So I gotta make that change  
And just, just tell them how I feel  
And I feelin like I lived so many lifetimes already  
And the funny part is, man, I just begun  
So if I die young

If I die young, bury me Satin  
Lay me down on a bed of roses  
Sink me in the river  
At dawn  
Send me away with the words of a love song  
If I die young
