

Paper Plane

YONAS

Oh, let's fly away
Oh, like a paper plane

Usually I'm steady but right now I feel like I'm falling
(Someone gotta catch me)
Gravity is heavy, I feel it when you're not around
(Pulling me, pulling me)
Upside down, got my feet on the clouds
Love is in the air, feel the cabin pressure now
Going off course, gotta turn this thing around
30,000 high, tryna figure this thing out

Yeah, be my co-pilot, turbulence is love
Focus on what it is and never on what it was
I don't fly this thing for me, these wings here for us
I promise to take you with me if I jump

Oh, let's fly away
Oh, like a paper plane
Take me where the wind blows
Oh, let's fly away
Lightning hit the window
Oh, like a paper plane
Take me where the wind blows

Yeah, be my lucky penny and I'll be your top gun
My hot club and you be my plus one
Presidential fund, J.F.K. and Marylin
Come on board, I'll show you the way it's done

You know that I'm ready, waiting at the gate
They got the flowers and confetti, soon as we land
Get a taxi to the city, final destination
And I'm gonna have you with me

Oh, let's fly away
Lightning hit the window
Oh, like a paper plane
Take me where the wind blows
Oh, let's fly away
Oh, like a paper plane

Oh, let's fly away
Oh, like a paper plane
Take me where the wind blows
