

Loved You Enough

Yonder Mountain String Band

Chorus:

I loved you enough to let you go, dear
I loved you enough to let it ride
I'd hold your little hand in mine
But your sweet love died

I know that you've got lots of feelings
Hit me in your heart, dear, down inside
There's one thing that I can't understand
It's the look in your blues eyes

[Chorus]

Well I guess that now you'll be going
I guess that I'll be going too
And if another holds you tight
I'll look right at my shoe

[Chorus]

Now if you ever need me, darling
Send me your letter by mail
Send it by land, by air, by sea
If I'll show up, I just can't tell

[Chorus - x2]
