

# INFAMOUS

YonKaGor

It's the thrill of the chase  
It's the look on their face  
When I'm keeping the pace  
And I'm here stealing the race  
I know too well how it feels  
To be called a loser, a screw up  
So let's change the news up

Now I'm winning  
I-I-I'm winning  
Who knew it'd feel so good to be misunderstood?  
'Cause I'm killin'  
Lookin' like a villain  
Yeah, I'm far too fast no more taking last, oh oh  
Now I'm winning  
I-I-I'm winning  
No they can't see me, behind jealousy, oh oh  
'Cause I'm killin'  
Lookin' like a villain  
I think they see me as infamous, oh oh oh

They all told me "I'd break"  
I didn't "have what it takes"  
That I'm just "one big mistake"  
That I can't "handle the stakes"  
I know too well how it feels  
To be called  
A failure, a letdown  
So let's pave some new ground

I put my pedal to the metal, never settle, never let up  
Like a rebel, I'm a devil when I rev up  
I'm not done yet, I pick my head up, heads up  
Speedin' like a demon, in the lead and yet I speed up  
Hear the engine, feel the tension, turn the heat up  
Grip tight, brake light, slight right  
Til the black and white's in sight  
I push my seat up, I sneak up, creep up  
Burning out my rubber, yet they cannot keep up  
Leading like a king and I'll defeat 'em  
They can't beat, beat, beat, beat, beat me, defeat me  
Cause they're looking at a blur I'm a whirr can't see me  
I think they  
I think they  
I think they see me as infamous, oh oh oh

Now I'm winning  
I-I-I'm winning  
Who knew it'd feel so good to be misunderstood?  
'Cause I'm killin'  
Lookin' like a villain
