

I Don't Wanna Do This Anymore

Yoshi Flower

Baby, you've been up all night, so you don't wanna wait on me
I'm about to catch my flight, so you don't gotta wait on me
No more, no more, you don't wanna, you don't wanna
You don't wanna, you don't wanna, you don't wanna

I've been up a very long time, wonder why they hate on me
I don't wanna love myself, I'm praying that they all love me
You don't wanna, you don't wanna
You don't wanna, you don't wanna
You don't wanna, you don't wanna
You don't wanna

I should've let you know, that you're my only one
I know you're feeling numb, I'll fuck you 'til you cum
Said, "I don't understand, how you don't got a man"
You want me in your bed, 'cause I've been in your head
No, no, no
No, no, no
No, no, no
No, no, no
No, no, no
No, no, no
No, no, no
No, no, no
