

# Thief

**Yoshi Flower**

Hold me close before you go  
Close the door  
Don't let in all the cold  
'Cause nothing can be everything to me  
And everything is nothing can't you see

Yeah, I got you all on my mind  
So I think I'll just take my time  
Somebody gon' have to come and rip you off of me  
You're such a heart  
Heartbreaker  
Yeah, you're such a thief

Now I know you don't love me no more  
Close your eyes  
Make it feel like before  
You still mean everything to me  
And I don't know who else to be

Where were you when I was getting high?  
You should leave 'cause if you don't  
You'll probably die by my side  
I'm a goner  
And lately I feel like I am the problem  
Problem is I can't sleep  
So can't you help me?  
God help me!

'Cause I got you all on my mind  
So I think I'll just take my time  
Somebody gon' have to come and rip you off of me now  
You're such a heart  
Heartbreaker  
Yeah, you're such a thief
