

Waves

Yoshi Flower

Na-na-na-na
Na-na-na-na-na-na-na
You wanna light it up

Waves will bring you down
Backwards to the ground
Waves will guide you home
When you feel you're far too grown

You know when this head over heels
And this, this kids always steal my thunder

Na-na-na-na, na-na-na-na-na-na
You wanna light it up

Waves ago we get down
When you're lost, you can be found
But it's been getting harder to unravel all the things
And I don't give a damn what everybody really thinks
And I spend my allowance all out on this pretty things
And it's been getting harder, soberly, so much harder to let go
Let go, don't you know
After all this conversation?

Na-na-na-na, na-na-na-na-na-na
You wanna light it up
Na-na-na-na, na-na-na-na-na-na
You wanna light it up
