

Alive

Yot Club

Straight line cul-de-sacs bright flowers in the bed
Brings back memories you'd rather just leave dead and in the past
Sounds ungrateful but it's all in good context
A windowless apartment would work for me no less 'cause I know

Still alive
I'm still alive
I'm alive
I'm still alive

But I don't know what they're talking 'bout
Zoned out for a second, I missed the route, you missed the route
God tell me that you're not that dumb like you seem to be

Well, I can't make any kinda promises, no things change rapidly
I want no one that's all worked up about me

Alive
I'm alive
I'm alive
I'm still alive
