Take my paint strip discount power
Yeah, your mamma's gunna hate it
But ninety either bucks and a fresh set of strings
The bedroom blast on blazing white like a new cake of soap
Message your love, now come on jimmy lets go!

Her ma she's making goo goo eyes at me is it something I'm awar

Turn up the Christmas distracts from my piece of face
Yes, I'm from another time
Ain't the kind of guy that you're friends are gunna glue to
But wait till you here my dog force lets go!

I'm closing in on your radio
You're east, west, north and behind
I'm going to be a more, more I was yeah just because
You hang from the clothesline
Till the blood runs from my eyes
I'm going to be a more, more than I was, yeah just because

They that it's stolen and possibly right
Gunna sit write down, gunna write you a letter, yeah

On a valiant backed in the drop
'Cause I'm going to be a more, more than I was, just because
I'll throw a rock at your new guy
Till the blood runs from his eyes
I'm going to be a more, more than he was, yeah just because
More than I was, yeah just because

Hey, got it wrong ain't a simple guy

Buckle up your sandals
And sing about the sea (what?)
'Cause I'm in love with rock and roll (that sounds lovely)
