

## Pinpricks

You Am I

I wanna kiss, I wanna kiss, I wanna kiss her 'cause she smiles  
like David Johanssen  
I can't get over her face, and her Cheshire cat grace, wears hi  
gh heels just to go dancin'

Keep on pushin' when the pinpricks start to breathe

I wanna kiss, I wanna listen, wanna diss her 'cause her hair's  
like Laurie Anderson  
She goes O O Superman, layin' dash in my van, be the third best  
singer in my band

Keep on pushin' when the pinpricks start  
Keep on pushin' when the pinpricks start to breathe

I wanna feel once again (I wanna feel once again)  
I wanna be your man (I wanna be your man)  
I wanna feel once again (I wanna feel once again)  
I wanna be your man

Just keep on pushin' when the pinpricks start  
You keep on pushin' when the pinpricks start to breathe

I wanna feel once again (I wanna feel once again)  
I wanna feel once again (I wanna feel once again)  
I wanna feel once again (I wanna feel once again)  
I wanna be your man (I wanna be your man)  
I wanna feel once again  
Uh, here comes your man
