

## 'round Ten

You Am I

Each Wednesday night, 'round ten  
We're gonna start it up again  
A three-piece kit  
Where the beggar used to sit  
Soft peanuts  
A two-bass hit

Show can carry on  
I'm sitting in tonight on a slide hambone

Piano man  
So let's start it up again  
The man I love  
To absolutely sweet Marie  
Blow away the kids  
From the concert then to me

Show can carry on  
Shoulda seen the horse that they rode in on  
I said oh, oh, oh, oh  
I ain't here for a short time, set 'em up another round

Put your good money on the sunrise  
'Cause there's good chance for light rain  
The man over there  
In the shell tracksuit  
Got a look  
Can't start you up again

Show can carry on  
Shoulda seen the horse that they rode in on  
I said oh, oh, oh, oh  
I ain't here for a short time, set 'em up another round

Show can carry on  
Shoulda seen the horse that they rode in on  
I said oh, oh, oh, oh  
I ain't here for a short time, set 'em up another round
