

If I Were in Your Shoes

You Me at Six

There's something you don't know
I've walked you off to keep you on your toes.
There's something you didn't know,
I've grown some bones, so I can walk you off.

Tonight, tonight, everything's alright, tonight, tonight.

If I were in your shoes I'd run a thousand miles just to tell you.
If I were in your room, using just my eyes I would tell you,
I would tell you

There's something you didn't know
you've got your teeth in me and it hurts.
And I'm a lie away from saying what I really think,
this is the bottom of the bottle saying swim or sink
and you don't even need me now.

Tonight, tonight, everything's alright, tonight, tonight.

If I were in your shoes I'd run a thousand miles just to tell you.
If I were in your room, using just my eyes, using just my eyes,
I would tell you.

If I were in your shoes I'd run a thousand miles just to tell you.
If I were in your room, using just my eyes I would tell you.

If I were in your shoes
In your shoes, in your

And I'm a lie away from saying what I really think,
this is the bottom of the bottle saying swim or sink
and you don't even need me now.
