

Don't Let Them

Young Bombs

You be what you wanna be
Let go of pressure, you'll be free
And times will be hard, but don't you see
You'll get up eventually?

Get rid of all of your fake friends
Get up and live for the weekends
Ah, yeah, ah, yeah, ah, yeah, yeah
Don't let them put the shit on you
Get rid of people who doubt you
Get up and live like you want to
Ah, yeah, ah, yeah, ah, yeah, yeah
Don't let them put the shit on you

Don't let them put the shit on you
Don't let them put the shit on you
Don't let them put the shit on you
Ah, yeah, ah, yeah, ah, yeah, yeah
Don't let them put the shit on you

Don't give up and you will win
Let go of stress and just breathe in
And times will be hard, but don't you see
You'll be strong eventually?

Get rid of all of your fake friends
Get up and live for the weekends
Ah, yeah, ah, yeah, ah, yeah, yeah
Don't let them put the shit on you
Get rid of people who doubt you
Get up and live like you want to
Ah, yeah, ah, yeah, ah, yeah, yeah
Don't let them put the shit on you

Ah, yeah, ah, yeah, ah, yeah, yeah
Don't let them put the shit on you
Ah, yeah, ah, yeah, ah, yeah, yeah
Don't let them put the shit on you
Get rid of all of your fake friends
Get up and live for the weekends
Ah, yeah, ah, yeah, ah, yeah, yeah
Don't let them put the shit on you
Get rid of people who doubt you
Get up and live like you want to
Ah, yeah, ah, yeah, ah, yeah, yeah
Don't let them put the shit on you
