

## Kinda Funny

## Young Bombs

Oo na na  
La la ta ra, ta ra ra  
Ra ra ra, la ra  
Kinda funny that you want me now

Last thing you said  
Said I was easily replaced  
But your empty bed  
Reveals to me that's not the case  
You're at my door  
And damn I think that's brave  
You showing your face  
Yeah yeah

Just like that  
You're the one that's crawling back  
Please don't make me laugh  
'Cause you looking like a joke right now  
Just like that  
I'm the best you ever had  
Used to put me last  
Kinda funny that you want me now

Oo na na  
La la ta ra, ta ra ra  
Ra ra ra, la ra  
Kinda funny that you want me now

Oo na na  
La la ta ra, ta ra ra  
Ra ra ra, la ra  
Kinda funny that you want me now

Don't give a damn, you're just a fan  
good as I am just like this  
Now I got that body, nothing can stop me  
I'm taking shots I don't miss  
Loving me better than you ever did  
So you walk away and I'll blow you a kiss

Just like that  
You're the one that's crawling back  
Please don't make me laugh  
'Cause you looking like a joke right now  
Just like that  
I'm the best you ever had  
Used to put me last  
Kinda funny that you want me now

Oo na na  
La la ta ra, ta ra ra  
Ra ra ra, la ra  
Kinda funny that you want me now

Oo na na  
La la ta ra, ta ra ra  
Ra ra ra, la ra

Kinda funny that you want me now
