

# Wrong Side Of Love

Young Bombs

I don't know why you keep them in the dark  
The secret ain't a secret anymore  
I can't keep fightin' for you if I'm not the only one  
'Cause I don't want just pieces of your heart  
I don't want just pieces of your heart

What's wrong with me?  
With you is where I wanna be  
But I know you don't belong with me  
So why does it feel like home?  
If you're not with me I know where you are  
Right back in somebody else's arms

Eyes get heavy 'cause we have two months 'til the buzz starts wearin' off  
It's hard to wake up in a damn big bed  
Step on the wrong side of love  
Whoa-whoa, whoa, whoa  
Whoa-whoa, whoa, whoa  
Step on the wrong side of love  
Step on the wrong side of love  
Step on the wrong side of love  
Whoa-whoa, whoa, whoa  
Whoa-whoa, whoa, whoa  
Whoa-whoa, whoa, whoa  
Whoa-whoa, whoa, whoa

I wonder what you tell 'em when he asks  
Where you're goin' and when you're comin' back  
I can't keep fightin' for you if I'm not the only one  
How long you think this shit's gonna last?  
How long do you think this shit's gonna last?

What's wrong with me?  
With you is where I wanna be  
But I know you don't belong with me  
So why does it feel like home?  
If you're not with me I know where you are  
Right back in somebody else's arms

Eyes get heavy 'cause we have two months 'til the buzz starts wearin' off  
It's hard to wake up in a damn big bed  
Step on the wrong side of love  
Whoa-whoa, whoa, whoa  
Whoa-whoa, whoa, whoa  
Step on the wrong side of love  
On the wrong side of love  
Step on the wrong side of love  
Whoa-whoa, whoa, whoa  
Whoa-whoa, whoa, whoa  
Step on the wrong side of love  
Whoa-whoa, whoa, whoa  
Whoa-whoa, whoa, whoa, yeah  
Whoa-whoa, whoa, whoa  
Whoa-whoa, whoa, whoa  
Step on the wrong side of love  
Whoa-whoa, whoa, whoa  
Whoa-whoa, whoa, whoa

Whoa-whoa, whoa, whoa  
Whoa-whoa, whoa, whoa  
Step on the wrong side of love
