

## Another Bird

Young Buck

I just bought me another bird  
I had to put rims on my Chevy  
I got to put gold on my hoes  
I got my weight up, I'm heavy  
(I just bought me another bird)  
I blew up back on a bitch  
I am not average  
I go on and grab the brick  
(I just bought me another bird)  
I be running through the bands  
I'm just thumbing through bands  
Whippin' doin' my dance  
(I just bought me another bird)  
She wanna nigga with a check  
She wanna nigga with a check  
She wanna nigga with a check

I'm only here to collect  
We got work all day  
Big bag full of bands I got shit to go and get  
My trap queen is also thick  
This bitch be having Channel fits  
Birkin bags at the two's  
She say "You so selfish"  
I lift crumbs on the counter  
I know I'm so careless  
I got bricks in the bedroom and she don't know where it is  
Dope-Boy, Dope-Boy, Dope-Boy
