

Do It

Young Buck

Poppin' pills all day I've been rollin'
Smoking weed all day I've been smoking

Shawty I don't know what them niggas must've told you
They just talking about the money let me show you
You can do it bitch, girl I know you
This is yours if you do it like you suppose to

I bet you won't
Do it (4x)
Shawty do it like you supposed to
I bet you won't
Do it (7x)
Do it like you supposed to

In the club racked up got all my chains on
Kitchen full of reziduu all the cocaine gone
Bunch of young niggas in this bitch getting their gang on
I keep telling these young hoes to hang on
Ratchet still trapping off the same foe
Fucking my bitch on the balcony where Rick James on
She a super freak, pussy super deep
All I don't ussually beat but I'm super deep

Pop my plug to my privates for the first time
Don't speak no english but he kept on making dollar sign
I said the benz his, but that impala mine
Rich nigga hussling like I ain't got to die

Shawty I don't know what them niggas must've told you
They just talking about the money let me show you
You can do it bitch, girl I know you
This is yours if you do it like you suppose to

I bet you won't do it
Do it (4x)
Shawty do it like you supposed to
I bet you won't
Do it (7x)
Do it like you suppose to

Under the city lights, disguise city right
Picked up the guala from his flight and paint the city white
Flashy niggas paint the brick just to be separated
These goons probably could arrive me but they hesitated
Bitch I'm play the game foul and I'm smoking loud now
Just left sex five stacks for my bitch bad
God your bitch mad 'cause she don't get that
But hire tits on that principle purple rain
Twerking so my white hoes know me by another name
They say teddy bear boy you crazy
But you ain't my bitch and that ain't my baby

Shawty I don't know what them niggas must've told you
They just talking about the money let me show you
You can do it bitch, girl I know you
This is yours if you do it like you suppose to

I bet you won't do it
Do it (4x)
Shawty do it like you supposed to
I bet you won't
Do it (7x)
Do it like you suppose to

Bad bitch every nigga in the hood want you
Tell the truth girl you like they way I do it don't you
Bad bitch everybody in the club on you
Tell the truth girl you like the way I do it don't you
