

# Refill

Young Buck

Fatality

I'm fucking rhyme with the work (whip it)  
I'm fucking rhyme with the work (flip it)  
I'm fucking rhyme with the work (let's do it)

I'm a be selling my dope around here until nigga's put me in the dirt [repeat]

Naw we don't run out naw we don't run out  
Uh huh we don't run out I ain't never ran out  
I just real real real breezy real real breezy real real breezy [repeat]

We ain't running low  
I'm trained to go  
I'm a kick yo door  
Make you hit the floor  
Hungry nigga I come to get the kilo  
My nigga nose running  
Got no money would've been good but he stole from me  
Every brick I used to give to the nigga he'd blow  
I got Mars nigga I'm a lawyer nigga  
Been doing this way before you nigga  
You a spoiled nigga I'm a street nigga you know  
Got old ones got new bitches my day ones no new nigga's  
My report card all A's nigga you a hoe (gat gat gat)  
I'm vested up VBS up smoke Bob Marley stay blessed up  
I'm a pop a ceiling don't worry about what I pour  
She really real nigga's refill you won't gas up I bet we will  
I spend everything I got right now to get more

I done been down but I ain't never out  
I sit down and count you know what I'm about  
Go and get to work in the drought (I roll)  
Make safety first check paperwork  
shit all good but I could make it worse  
nigga better not open up his mouth  
About what I sold (gat gat gat)  
Got bank robbers got boosted bitches got teenagers going to shoot you nigga's  
And honestly there's more to me than what I show  
I've been counted out while I was counting up  
And then they counting on me to holler buck  
nigga throw me something  
I'm looking at them like no  
Now won't you stay calm  
Got track marks all in every arm  
Won't be satisfied until his heads just overdose  
I've been waiting patiently at the gas station two 18 wheelers drag racing  
All I want to know is when you close

Ya dig it's going down like that that there we gonna hit you upside the muth  
a fuckin head with nothing but gangsta music man  
A who I want you to hit em upside the hit and lets take off y'all
