

Step

Young Buck

I just wanna step

Right! Left! Step out by myself
They go right, left, step out by yourself
And you're right, yeah, stick under my belt
They go right, left, step out by myself
There's a wave commin' in
Drip or drown, hold your breath
Skip the class, get a F, get a bag for yourself
Mixed designer I'm a chef, my bandana to the left
[?] walked on me no help
Step by myself

Ya'll scared to death, I'm a boss fuck a ref
I'm a dog, had this mess on for ya'll ever spat?
Brake the law, beat the case
Stash box in a Wraith
I can hear behind my back, pussy say it to my face
Watch the Drake make 'em Harlem Shake
This is all it take, Brought some steppers with me
And the other ones look all away
Happy birthday (Happy birthday)
We gon' bake a cake
Ok ok mate, I don't like to wait
Let me

Step by myself
Step by myself, step by myself
Gotta step by yourself
There's a wave commin' in
Drip or drown, hold your breath
Skip the class, get a F, get a bag for yourself
Then I step by myself
Step by myself, step by myself
Gotta step by yourself
There's a wave commin' in
Drip or drown, hold your breath
Skip the class, get a F, get a bag and do steps

I got the 60's rollin'
I got the Hoovers groovin'
I got the Bloods poppin'
I got the Pirus [?]
And she a step or two
She done stepped on a few
She come from nothin' that's my [?] shit you never do
Step shorty (step shorty)
I'm steppin' on errybody
I'm steppin' these red bottoms
Stick red dot him, hit, head shot him
Get him, I done got him
I'm steppin' right beside him
Free Olskie, he a problem
They steppin' all around the world the youngsters steppin' I know
I learned this shit from B.G. Baby, Louisiana, NO
And Soulja Slim step and pull up Boosie too
Then our C murder ya'll

This is how you do it
First she gotta

Step by myself
Step by myself, step by myself
Gotta step by yourself
There's a wave commin' in
Drip or drown, hold your breath
Skip the class, get a F, get a bag for yourself
Then I step by myself
Step by myself, step by myself
Gotta step by yourself
There's a wave commin' in
Drip or drown, hold your breath
Skip the class, get a F, get a bag and do steps, steps, steps

Right! Left! Step out by myself
They go right, left, step out by yourself
And you're right, yeah, stick under my belt
They go right, left, step out by myself
