

# The Get Back

Young Buck

I see we had a long night last night  
10 cops shot, Dallas what it do?  
Cashville we on our way (Hey!)

I just seen some killer's get some get back  
I tried to tell these police that we with dat  
I just seen some gangsta's get some get back  
I tried to tell these police that we with dat  
I look at these shootings like I did that (I just did that)  
I tried to tell them these blood nigga's with dat  
I just seen some crips get some get back (Wuddup cause)  
I'm just trying to tell Obama that we with dat  
And this shit ain't over

Laying on the roof waiting on Twitter come through  
223 shells what they hell they gon do  
Tripping on the handle  
Thinking about Philando (Rest in peace)  
I'm a blow out his candles, make em out examples  
I'm a take you to Atlanta  
I'm a hit em with it while I get em with it  
Pussy nigga's stay away from me if you ain't really with it  
Rap nigga's keep preaching this peace shit  
But just on some last week shit  
You was talking that street shit  
That Pulling up busting your heat shit  
Look how they laid that hand  
That baby was sitting in the back seat  
Bitch we not crazy this how you made me  
I can't let them see me hit  
I'm not putting my hands up my black life don't matter  
I rather return mine with that ratta tatta tatta tatta

I just seen some killer's get some get back  
I tried to tell these police that we with dat  
I just seen some gangsta's get some get back  
I tried to tell these police that we with dat  
I look at these shootings like I did that (I just did that)  
I tried to tell them these blood nigga's with dat  
I just seen some crips get some get back (Wuddup cause)  
I'm just trying to tell Obama that we with dat  
And this shit ain't over

Good morning I woke up smelling gun powder  
Call this that black power  
11 body's in 4 hours  
558 of us already died though  
In 2016 by the hands of the 5-0  
I ain't wrote none of this shit down (Real shit) truthfully  
I done lost my passport I suppose to be in Switzerland  
50 don't even know about this but I know he listening (My bad)  
Since I missed the show I figured get high right now!  
Make these nigga's load up and go kill a cop right now!  
So any rapper putting anything out not right now!  
I'm a do this for the Mike Brown's and the Trayvon's and the Sandra's  
I'm a show you I can say shit and make police out of examples

I just seen some killer's get some get back  
I tried to tell these police that we with dat  
I just seen some gangsta's get some get back  
I tried to tell these police that we with dat  
I look at these shootings like I did that (I just did that)  
I tried to tell them these blood nigga's with dat  
I just seen some crips get some get back (Wuddup cause)  
I'm just trying to tell Obama that we with dat  
And this shit ain't over

Yeah  
Sometimes you know  
You gotta fight fire with fire  
You just gotta do what you gotta do  
You know do the math my nigga  
I know I know shit seem crazy but it is crazy  
Thugging with a conscience though  
Fuck the police  
Shit how the fuck can you turn to mother fucker  
When they already turning on you  
It is what it is  
Fuck with me
