

# Zero

Young Buck

Come in daddy (Seph, you crazy) (ha-ha-ha)  
Nothin' to somethin'  
From the bottom to the top and so

Started from ze-ze-zero (nothin')  
Clip-clip, reload (yeah)  
Trap-trap, I'ma go and get me a kilo  
Then it's wop-wop, we go (wop)  
Ghe-ghetto hero (oh)  
Flip-flip, we just tryna take care of our people

They ask me what's my motivation, I just say bricks (yeah)  
We used to call them stress but know, I just holla stinks  
I'm watching snowfall and baggin' up this fin now (trap)  
Carefully calculating every piece I give y'all (nah for real)

I sent a DM to your bitches, said I'm still in the mix (what up)  
Make sure you don't forget it, shorty send me some pics (ay)  
My nephew lookin' for his needle tryin' to get in my face  
I told my aunty into goin' try to get him to quit

We used to pray to see the day that we be goin' legit (you know)  
Or walk inside a venue and there's no where to sit  
You ever try to read a menu and don't know what to get (haha)  
So you just look and tell the waiter, get me all of this shit (woo)

Ghe-ghetto hero (oh)  
Flip-flip, we just tryna take care of our people

Just don't try to tell me nothin' if you ain't tellin' the truth (shut up)  
I just jumped of the porch and doin' better than you

My partner made a bar with a syringe in his arm (ay)  
But now he got a farm and a Benz in a charm (woo)  
A mansion and a sign that say, "Don't walk on the lawn" (yeah)  
Still tryna find a way to get the bricks out his palms (yeh)

I wasn't sure to catch a shell in there, keep sayin' stay calm (ay)  
Her boyfriend was a target when they asked where you were from (ay, where yo  
u from)  
Double back and walk her down just to make sure it's done (shit)  
They would have got him but they didn't know the nigga could run

We take the bag and then we count it blowin' smoke from my lawns (trap)  
And drive behind an 18-wheeler rollin' with tongs (tra-ap)  
FaceTime the conversation, you don't know where to come  
You think I'm around all these bricks and I'm not getting me some?
