

100 Plays

Young Dro

I catch the holy goals at my grandma's house
I hustle when my mama stay
My auntie and my uncle Jay
I'm focused on the 100 plays
I catch the holy goals at my grandma's house
I hustle when my mama stay
My auntie and my uncle Jay
I'm tryna focus on the 100 plays

I'm focused on my 100 plays
My auntie and my uncle Jay
Man I rock a bunch of Jay
And I serve a bunch of jay
I don't give fuck like nigga jay rock
Bank here why's nigga play low
I'm going home anyways
Be ready to walk in eighth chair
Wish I had the reason my mama child
Don't rush me into my home alone
We tryna hear a bunch of piles
Followed by piles piles piles

I catch the holy goals at my grandma's house
I hustle when my mama stay
My auntie and my uncle Jay
I'm focused on the 100 plays
I catch the holy goals at my grandma's house
I hustle when my mama stay
My auntie and my uncle Jay
I'm tryna focus on the 100 plays

Death to me like skate town
All me knee gon' stay down
Thirteen bricks on a greyhound
For dove I'm in a loose pound
We gon' fuck around we can fuck around
Better have fat feet like James Brown
And one of your nigga get wrong
I'm a squall up you like King Kong
I'm doing my block stop
Little nigga just watch you got pull on your street
I run your spot watch
These niggas get shot
I don't play boy
You work 'round here you gon' pay boy
These things gon' ship when I say boy
Around of your well like a skateboard
Selling this dope is a race boy
And anything you can catch case boy
Got a little coming down here from Detroit
Got a deuce I'ma pay and a shit short
I'm out here nigga like big what
I'm a pimp these hoes like two shorts
Ten brigs but that ain't too short
And I'm a take it back headquarters
Fuck you fuck

I catch the holy goals at my grandma's house
I hustle when my mama stay
My auntie and my uncle Jay
I'm focused on the 100 plays
I catch the holy goals at my grandma's house
